	Charges for Water Service.)	MOTION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Petition to Intervene Out- of-Time filed by the Consumer Advocate for the State of South Carolina (the Consumer Advocate). The grounds for said Petition are inadvertence and a delay in review of the application by the Consumer Advocate's consultant. The Consumer Advocate notes that granting intervention at this date will cause no delay in the proceedings, and the Consumer Advocate seeks no delay. No objection was received from Sigfield Water Company, Inc., the Applicant.

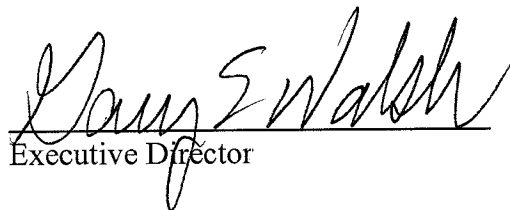

The Motion is granted. The Consumer Advocate cites reasonable grounds for his Motion, and the Company has not offered an objection.

This Order shall remain in full force and effect until further Order of the Commission.
